pense that would be caused him in
proving his residence in the United
States has been five years or over
John Martindal Stubby, a resident of
Cherryvale, has withdrawn his petition
for final papers as a naturalized citi-

He found, however, that it would be

other states to swear to his residence,
as he has not lived five years in New
Mexico. Stubby announced he would
make another application at the end
of five years residence in the terri-
tory.
